MEETING AGENDA PREP & COMMITTEE DISCUSSION	<p>Sheri Rowland called the Executive Committee meeting to order at 4:00pm.</p> <p>Sheri discussed ideas proposed by the Council Chairs for our joint meeting time on Thursday at the February meeting. The Committee recommended a presentation by the Florida Department of Economic Opportunity “World of Work” over the Soft skills for today’s workforce idea.</p> <p>Sheri asked what topics we would like to see on the CSA agenda in February.</p> <p>Claire shared the brainstormed list from August Executive committee meeting & the October CSA meeting, including:</p> <ul style="list-style-type: none"> ▪ Bi-annual review of drug and alcohol policies ▪ Behavioral Intervention Teams ▪ Mental Health ▪ Suicide Prevention efforts ▪ Gender Expression (incl student records, Clinical partners, employers) ▪ Multi-campus/regional campus student services best practices ▪ Online student affairs services ▪ Impact of Generation Z ▪ Crisis response communication samples (ie: Valencia’s examples from the Pulse tragedy) ▪ Complaints/grievance resolutions systems & processes ▪ Advising panel, state-wide advising survey results ▪ Deeper dive into critical issues ▪ Dual Enrollment processes for approving courses ▪ Holistic student supports panel and/or national speaker ▪ Dual Enrollment models, recruitment, operations ▪ Gender identity/expression (college policies) ▪ Closing the achievement gap ▪ Ruby Payne, Bridges out of poverty or trained speaker/facilitator ▪ Technologies overview (ERP, CRM, view into future, etc...) <p>Sheri asked that Claire draft a survey for review by the Steering Committee then sent to the full CSA membership asking for feedback. Survey should also include if the College considers itself a “best practice College” and if they recommend a speaker from their college or a regional/national speaker.</p> <p>Conduct standing on transcripts discussion</p>

	<p>At the request of the Chair, Peter from PBSC has been conducting a research workgroup looking into adding conduct dismissal information to the academic transcript. Notably, the FCS Registrars do not seem in favor of this idea.</p> <p>After a robust discussion on today's call, we determined that a more in-depth conversation is necessary with our full membership. Claire will add a question to the agenda topics survey. Sheri will select a facilitator for the discussion for the February meeting.</p>
